The Regions of the Eastern Hemisphere

1C3
Regions of the Eastern Hemisphere

**Directions:** Locate the following regions of the Eastern Hemisphere and color them as directed.

1. **British Isles.** A region of islands located off of the western shores of Europe. Includes the nations of the United Kingdom and the Republic of Ireland. (Red)

2. **Western Europe.** As the name implies, this land lies in the western reaches of the European continent. It includes the nations of France and Germany. (Blue)

3. **Northern Europe.** Also known as Scandinavia, this region lies in the northern reaches of Europe and includes the nations of Norway, Sweden, Finland, Denmark, and Iceland. (Yellow)

4. **Southern Europe.** This region lies to the north of the Mediterranean Sea and includes the countries of Spain, Italy, and Greece. (Green)

5. **Eastern Europe.** This land lies between the nations of Russia and Germany. Many different nations make up this land, including Poland and the Ukraine. (Orange)

6. **Russia.** This massive region includes only one nation—the Russian Federation. (Purple)

7. **Saharan Africa.** This is the northern half of the African continent. It includes such desert lands as Egypt, Libya, and Morocco. (Yellow)

8. **Sub-Saharan Africa.** This is the lands in Africa which lie south of the Sahara Desert. It includes such nations as South Africa and Madagascar. (Red)

9. **The Middle East & Central Asia.** This land is located in the southwestern part of Asia. Currently, the United States has troops deployed in a number of nations in this region, including Saudi Arabia, Iraq, and Afghanistan. (Blue)

10. **South Asia.** This land is at the southern tip of Asia. It includes the lands of India and Pakistan. (Green)

11. **Far East Asia.** This land is located in the far eastern part of Asia. It includes the lands of the People’s Republic of China, Mongolia, and North Korea. (Red)

12. **Southeast Asia.** This land is in the southeastern part of Asia. It includes such lands as Vietnam, Malaysia, and the Philippines. (Yellow)

13. **East Asian Tigers.** These are tiny nations located on Asia’s far eastern shores. They include South Korea, Taiwan, Hong Kong, and Singapore. (Blue)

14. **Japan.** This is an archipelago of islands off of the far eastern shore of Asia. It includes only the nation of Japan. (Green)

15. **Australia & New Zealand.** This region is located southeast of Asia. As its name implies, this region’s lands include the English-speaking nations of Australia and New Zealand. (Orange)

16. **Oceania.** This land is located in the vast stretches of the Pacific Ocean. It includes the thousands of islands that dot the Pacific Ocean. (Green)
