

Student Driving Regulations & Contract Parking Permit Fee \$50.00 2018-2019

ALL OUTSTANDING FEES/FINES MUST BE PAID IN FULL and have a CURRENT EMERGENCY MEDICAL FORM ON FILE BEFORE PURCHASING A PARKING PERMIT

The following rules will apply to all students driving to school and using the parking facilities. Abuse of the student driving regulations will result in the student NOT being permitted to drive to school.

- *All drivers shall obey the traffic laws of the State of Ohio and comply with the rules and regulations set forth by school officials.*
- *Parking spaces have been numbered and will correspond with permit number. This entitles you to park in the assigned space between 6:30 AM and 3:05 PM when school is in session.*
- *Driving is a privilege that is granted to students willing to abide by the driving contract. This privilege can be rescinded.*
- *The school will not be held liable for damage to vehicles or stolen items.*
- *Students are required to park within the yellow lines with a valid parking permit.*
- *Student parking or idling is not permitted in Zones 1, 2 or 3. Students occupying their vehicles in these areas will lose their driving privileges.*

In all cases, a parking permit is required and can be purchased in the main office. Yearly parking permit is \$50.00. Second Semester Parking permits will be issued in January for \$25.

- *The parking permit must be properly affixed to the rear view mirror of your vehicle in order to be valid.*
- *Failure to register a vehicle, parking on campus without a valid permit and or parking in a non-assigned parking spot will result in the automatic purchase of a parking permit and assigned a space to the rear of Zone 5. Paperwork must be submitted the following day or the parking pass will be revoked.*
- *In the event a student does not have \$50 to purchase a parking pass, it will be placed on the student's fees account.*
- *Reckless driving which includes but is not limited to: speeding, cutting off drivers, failing to abide by the painted markings and or squealing tires will result in loss of parking privileges up to one year. The student must turn their parking permit into their Academy Principal during the suspension of driving privilege time period.*
- *If a student acquires a new vehicle, it will be necessary to transfer the permit to the new vehicle by notifying the secretary in the academy office.*

Additional Rules

- *Students are not permitted to eat, smoke, sit in or loiter around any vehicle on school grounds.*
- *Students are not permitted to leave the parking lots in a vehicle for lunch.*
- *Tardiness is considered an abuse of driving privileges. Prompt arrival to school is expected. Inclement weather, mechanical difficulty and traffic conditions are NOT excused tardies. Every fourth tardy to school will result in discipline that could include loss of the parking permit.*
- *Vehicles or automobiles parked on school premises maybe subject to search based on reasonable suspicion. Refusal by any of the parties to provide or allow access to vehicle at the time of a search request shall be cause for terminating the parking privilege without further hearing.*

I hereby authorize my son/daughter to drive the above-described vehicle(s) to and from school and verify that the information on this form is accurate to the best of my knowledge.

I also understand that if it is determined the driving privilege has been abused; his/her driving permit will be revoked by the school administration.

In connection with this request, I consent to the unlocking, opening and inspecting of the automobile and its contents while on school premises, based on the reasonable suspicion of a school administrator that the vehicle or its contents may violate law or school rules. Refusal to cooperate with such a search will result in denial of driving privileges, possible reports to law enforcement officials, and school disciplinary procedures.

Excessive tardiness, truancy, skipping classes, and other infractions are grounds for revoking a student's driving privilege. This will require the student to ride the school bus or arrange alternate transportation.
