

# SENIOR EDUCATIONAL OPTION 2019-2020

An educational option is available at GlenOak High School for seniors who wish to use their study hall period to further their education outside of school by doing community service, conducting research on a Chromebook, doing school work in groups or using the time for homework.

**NOTE:** Senior Option begins only after a parent/guardian signs this form, Final Forms are complete and up-to-date, and the students returns this application to their Academy Secretary. Schedules will be changed once the Academy Principal grants approval bases on the verification of information.

## • NO CLASS SCHEDULE WILL BE CHANGED TO PROVIDE A STUDY HALL FOR SENIORS

The release time cannot be used for employment purposes. On occasion, seniors will have to report to GlenOak during their Senior Option for school functions such as special testing, senior meetings and graduation practice.
