

PLAIN LOCAL SCHOOL DISTRICT

2016-2019

STRATEGIC PLAN UPDATE

As 2017 comes to a close, we would like to update the Plain Local community on district accomplishments, many made as a direct result of our Strategic Planning process.

Below are some key accomplishments we would like to highlight.

ACADEMICS AND CURRICULUM

- Completed technology infrastructure upgrade.
- Increased speed and efficiency of district Wi-Fi.
- Creation of "Technology Roadmap" for parents.
- Created student run technology help desk at GlenOak High School.
- Surveyed students on how technology has changed their learning.
- Improved how student data is collected for IEPs.

COMMUNICATION AND ENGAGEMENT

- Increased social media presence to over 10,000 followers across all platforms including: Facebook, Twitter, Instagram, Snap chat and YouTube.
- Increased consistency of branding of all publications K-12.
- Introduced "My Schools Menu" interactive website and app for food service. Allowing parents to view allergens, nutritional information and more.
- Report cards and grading available online for parents through Home Access Center.

STUDENT SUCCESS

- Over 6,000 students enrolled for 17-18 school year.
- Expanded 1:1 initiative to grades 4-12.
- Final site visit to become eligible for International Baccalaureate curriculum at GlenOak High School.
- Increased mental health services across district.
- Added a school community liaison to staff at GOHS to work with families.
- Mental Health Services offered through Child and Adolescent Behavioral Health at all schools.
- Created "Chromebook Check Out" process for students when device needs repairs.
- Added Music Production class with lab space at GlenOak High School.

BOARD AND FINANCIAL

- Implemented new software system in fiscal office.
- Board of education members participated in International Baccalaureate site visit.

SAFETY AND SECURITY

- Finalized Crisis Response Plan.
- Increased Network Security.
- All bus drivers received epipen training for 17-18 school year.
- Added window wraps to all elementary schools for increased safety and security.
- Welcomed and trained 15 new bus drivers for the 17-18 school year.

INFRASTRUCTURE, FACILITIES AND GROUNDS

- Completed locker room project at Bob Commings Field.
- Improvements made to softball field.
- Redesigned parking lot for increased safety during drop off and pick up.
- Added additional parking for community partners at GlenOak High School.
- Added four new busses to fleet.
- Added "Koufos Courts" on campus of GlenOak High School for students and community members.
- Renovation of boys and girls locker rooms at GlenOak High School.
- Created onsite Health Tech lap space and rehab facility.
