DRESS CODE

The purpose of the Oakwood dress code is to teach students how to dress successfully for life.

From time-to-time, Oakwood may have “Spirit Days” designed to motivate and generate enthusiasm within the student body. On these days some deviation such as: hats, sunglasses, or athletic wear may be permitted.

All parts in **bold** are specific examples to help clarify how the dress code will be applied at Oakwood Middle School during the 2018-19 school year.

1. All clothing is to be clean, un-tattered, un-torn and worn appropriately. **No skin should be visible through pants.**
2. Foot apparel must be worn at all times (shoes or sandals).
3. Hair must be clean, groomed and **not distracting** in nature.
4. Proper dress may be prescribed in a given laboratory or instructional situation, including extracurricular activities and special programs that go beyond the ordinary school day.
5. **All shorts, skirts, and dresses must not be shorter than “finger-tip” length.**
6. **All tops must have either short or long sleeves (shoulders cannot be visible), NO tank tops, tube tops, or spaghetti straps for outer garments.**
7. Bare midriff, bare back, tight-fitting and other revealing garments are prohibited, **this includes: leggings, tights, and yoga pants unless a dress, jeans, or skirt that meets the “finger-tip” length requirement is worn overtop.** Undergarments are to be covered by outerwear.
   a. Yoga pants may be worn for PE or Dance classes, students must change before leaving that class.
8. Apparel that has any stated or implied reference to drugs, sex, alcohol, violence, gangs, cults, tobacco, symbols of death or obscene language is not permitted.
9. Coats, jackets, head coverings, hoods, gloves and sunglasses are not to be worn in the building.
10. **Ear buds and headphones cannot be worn in the building.**
11. Chains and other potentially dangerous apparel are not permitted.
12. Pants and shorts must be worn at the appropriate waist level. **No shorts or undergarments should be visible.**

Students who do not comply will be required to change immediately, contact their parent/guardian to bring in appropriate clothing, or will be placed in in-school suspension for the remainder of the day.

Students who repeatedly do not comply may be suspended for “deliberate disobedience.”
ATTENDANCE:

1. Parents are asked to call the school and report their child off and state the reason for the absence. For the safety of our children, parents who have not reported their child’s absence will be contacted by the school to verify the absence.

2. When a student is absent for three days or more, parents may request homework assignments for the missed days.

3. The school should be notified of any advanced absences. After principal approval, assignments will be given prior to the absence whenever possible.

4. Attendance is taken at the beginning of each period and is accounted to the nearest full hour. Attendance for students arriving late or leaving early is tracked and recorded to the nearest full hour.

5. Excessive absences: When a student is absent with or without excuse for 38 or more hours in a school month, or 65 or more hours in a school year, the attendance officer will send written notice to the parent within 7 days after triggering the absence. At the same time, the Principal may implement any appropriate absence intervention action available under Board policy.

6. Habitual truancy: A student is habitually truant when absent without excuse for 30 or more consecutive hours, for 42 or more hours in a school month, or 72 hours in a school year. Within 10 days of becoming habitually truant, the student will be assigned to an absence intervention team in accordance with Board policy.

7. Excused absences from school are derived from the Ohio Revised Code 3321.04. “Legitimate excuse” includes the following:
   - Personal illness
   - Illness in family causing family emergency
   - Quarantine of the home
   - Death in family
   - Family emergency
   - Observation of a bona fide religious holiday

Students violating the Plain Local Student Code of Conduct and whose behavior warrants a suspension shall fall under the following guidelines:

1) Students being considered for suspension are entitled to an informal meeting with the Principal or Assistant Principal prior to removal. During the informal meeting, the student shall be made aware of the violation and that he/she may be suspended, and given the opportunity to respond to the charges against him/her.

2) The administration may amend the consequence when deemed appropriate.

3) In case of property loss, restitution may be required.

4) Disruptive behavior, as identified earlier in the Code of Conduct, may result in a suspension.

5) Misconduct described in the Student Discipline Policies and Code of Conduct may be punished under that Policy or Code even if the misconduct occurs off school property as long as the misconduct is connected to activities or incidents that have offered on property or owned or controlled by the School District.

6) Misconduct described in the Student Discipline Policies or Code of Conduct may be punished under that policy or code regardless of where the misconduct occurs, if the misconduct is directed at an employee or officer of the School District or at the property of an employee or officer of the School District.

7) Any acts, in the opinion of the building administrator, that endanger the safety of staff or students, or are criminal acts can result in immediate suspension for up to 10 days.

8) An administrator shall consider all other violations of the Plain Local School District Code of Conduct, and appropriate consequences shall be chosen.

9) Students returning to school following an expulsion will fall under the “3rd offense” for any suspendable behavior during the remainder of the school year.

b) Accumulated Consequences

All disciplinary responses accumulate over a given school year.

c) Procedures

When a student is being considered for a suspension, the Principal or Assistant Principal
will notify the student of the basis for the proposed suspension. The student will be given an opportunity to explain his/her view of the underlying facts. After that informal hearing, the Principal or Assistant Principal will determine whether or not to suspend the student. If the decision is made to suspend the student, s/he and his/her parents will be given written notification of the suspension within one (1) day setting forth the reason for the suspension, the length of the suspension, and the process for appeal. The suspension may be appealed, within two (2) calendar days after receipt of the suspension notice, to the Treasurer or Board of Education. The request for an appeal must be in writing. During the appeal process, the student shall not be allowed to remain in school. If the appeal is heard by the Board’s designee, the appeal shall be conducted in a private hearing. If the appeal is heard by the Board of Education, the appeal shall be conducted in executive session unless the student or his/her representative requests otherwise. A verbatim transcript will be made and witnesses will be sworn in prior to giving testimony. If the appeal decision is to uphold the suspension, the next step in the appeal process is to the Court of Common Pleas.

8) Expulsion

An expulsion is a removal from school for up to eighty (80) school days. When a student engages in any of the preceding behaviors on school property, or during school related activities, the student will be disciplined according to administrative guidelines with appropriate due process, possibly resulting in an expulsion.

a) Guidelines

Students violating the Plain Local School District Student Code of Conduct and whose behavior warrants an expulsion shall fall under the following guidelines:

1) Students being considered for expulsion are entitled to an informal meeting with the Superintendent or his/her designee prior to removal. During the informal meeting, the student shall be made aware of the violation and that he/she may expelled, and given the opportunity to respond to the charges against him/her.

2) The Superintendent or his/her designee may amend the consequence when deemed appropriate.

3) In case of property loss, restitution may be required.

4) Disruptive behavior, as identified earlier in the Code of Conduct, may result in an expulsion.

5) Misconduct described in the Student Discipline Policies and Code of Conduct may be punished under that Policy or Code even if the misconduct occurs off school
property as long as the misconduct is connected to activities or incidents that have
offered on property owned or controlled by the School District.

6) Misconduct described in the Student Discipline Policies or Code of Conduct may be
punished under that policy or code regardless of where the misconduct occurs, if the
misconduct is directed at an employee or officer of the School District or at the prop-
erty of an employee or officer of the School District.

7) Any acts, in the opinion of the building administrator, that endanger the safety of
staff or students, or are criminal acts may include a consideration for expulsion.

8) Any student who is expelled from school for more than twenty (20) days or for any
period of time if the expulsion will extend into the following semester or school year
will be provided with information about services or programs offered by public and
private agencies that work toward improving those aspects of the student’s attitude
and behavior that contributed to the incident that gave rise to the student’s expul-
sion.

9) Students returning to school following an expulsion will fall under the “3rd offense”
for any suspendable behavior during the remainder of the school year.

10) Expelled Students who return to school may be expelled from school for a period not
to exceed one year for committing an act that is a criminal offense if committed by
an adult and that results in serious physical harm to persons or property.

11) Expelled students may also be permanently excluded from attending school. Such
process is formal and may follow an expulsion from school with the proper notifica-
tion to the parents.

b) Accumulated Consequences
All disciplinary responses accumulate over a given school year.

c) Procedures
When a student is being considered for expulsion, the student and parent will be provid-
ed with a formal notice of the proposed expulsion. This written notice will include the
reasons for the intended expulsion, notification of the opportunity to appear in person
before the Superintendent or the Superintendent’s designee to challenge the reasons
for the expulsion and/or explain the student’s action, and notification of the time and
place to appear. Students being considered for expulsion may be removed immediate-
ly. A hearing will be scheduled no earlier than three (3), nor no later than five (5) school
days after the notice is given. Parents may request an extension of time for the hearing.
The student may be represented by his/her parents, legal counsel, and/or by a person
of his/her choice at the hearing. In accordance with Board Policy 5610, the Superinten-
dent shall initiate expulsion proceedings against a student who has committed an act
that warrants expulsion under Board policy even if the student withdraws from school
prior to the hearing or decision to impose the expulsion. The expulsion will be imposed
for the same duration that it would have been had the student remained enrolled. If a
student is expelled, the student and the student’s parents will be provided with written
notice within one (1) school day of the imposed expulsion. The notice will include the reasons for the expulsion, the right of the student, or the student’s parent(s)/guardian(s) or custodian(s) to appeal the expulsion to the Board or its designee, the right to be represented in all appeal proceedings, the right to be granted a hearing before the Board or its designee, and the right to request that the hearing be held in executive session. Within three (3) calendar days after the Superintendent notifies the parents of the expulsion, the expulsion may be appealed, in writing, to the Board of Education or its designee. A hearing on the requested appeal will be formal with an opportunity for sworn testimony. If the expulsion is upheld on appeal, a student’s parents may pursue further appeal to the Court of Common Pleas. Students serving expulsions will not be awarded grades or credit during the period of expulsion. Expulsion for certain violations including use or possession of alcohol or drugs, may result in revocation of student’s driver’s license. When a student is expelled, the Superintendent will notify any college in which the expelled student is enrolled under the Postsecondary Enrollment Option at the time the expulsion is imposed.

9) Emergency Removal

If a student’s presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process taking place either in a classroom or elsewhere on the school premises, the Superintendent, Principal or Assistant Principal may remove the student from any curricular or extracurricular activity or from the school premises. A teacher may remove the student from any curricular or extracurricular activity under the teacher’s supervision, but not from the premises.

If a teacher makes an emergency removal, the teacher will notify a building administrator of the circumstances surrounding the removal in writing within one (1) school day. No prior notice or hearing is required for any removal under this procedure. In all cases of normal disciplinary procedures where a student is removed from curricular or extracurricular activity for less than one school day, and is not subject to further suspension for expulsion, the following due process requirements do not apply.

If the emergency removal exceeds one (1) school day, then a hearing will be held within three (3) school days after the removal is ordered. Written notice of the hearing and the reasons for removal and any intended disciplinary action will be provided to the student, as soon as practical prior to the hearing. If the student is subject to an out of school suspension, the student will have the opportunity to appear at an informal hearing before the principal, assistant principal, Superintendent or a designee, and may challenge the reasons for the removal or otherwise explain his/her actions.

Within one (1) school day of the decision to suspend, written notification will be given to the parent(s)/guardian(s) or custodian(s) of the student. This notice will include the reasons for the suspension, the right of the student or his/her parent(s)/guardian(s) or custodian(s) to appeal to the Board or its designee, and the student’s right to be represented in all ap-
peal proceedings. If it is likely that the student may be subject to expulsion, the hearing will take place within three (3) school days and will be held in accordance with the procedures outlined in the Expulsion policy (see Section 7 Expulsion). The person who ordered or requested the removal will be present at the hearing. In an emergency removal, a student may be kept from class until the matter of the alleged misconduct is resolved either by reinstatement, suspension or expulsion.

10) Permanent Exclusion

State law provides for the permanent exclusion of a student, 16 years of age orolder who engages in certain criminal activity. Permanently excluded students may never be permitted to return to school anywhere in the State of Ohio. A permanent exclusion may be considered if the student is convicted or adjudicated delinquent for committing one or more of the following crimes while on the property of any Ohio school:

1. Conveying deadly weapons on to school property or to a school function.
2. Possessing deadly weapons on school property or at a school function.
3. Carrying a concealed weapon on school property or at a school function.
4. Trafficking in drugs on school property or at a school function.
5. Murder or aggravated murder on school property or at a school function.
6. Voluntary or involuntary manslaughter on school grounds or at a school function.
7. Assault or aggravated assault on school grounds or at a school function.
8. Rape, gross sexual imposition, or felonious sexual penetration on school grounds, at a school function, or when the victim is a school employee.
9. Complicity in any of the above offenses, regardless of location.

It should be noted that it is impossible to foresee all possible conduct infractions, and that the administration reserves the right to impose disciplinary action for any act that is contrary to proper behavior yet might not be expressly stated in this handbook.

Students who violate the Student Handbook and/or fail to make adequate academic progress may face the following corrective actions, which include informal and formal discipline:

11) Informal Discipline

Informal discipline takes place within the school environment, and will not be offered as an option when, in the opinion of the Principal, Assistant Principal, or Superintendent, the offense warrants formal discipline or is of a criminal nature. It includes the following:

1. Mandatory Participation in Mediation – Students may be required to participate in peer mediation in order to resolve conflicts and disputes between students.
2. After-School Detention – Students may be required to stay after regular school hours. Students and parents are responsible for transportation from school.
3. Saturday School – Students may be required to come to school on Saturday. Students and parents are responsible for transportation to and from school.

4. In-School Suspension – Students may be required to complete school work in a designated area during school hours under supervision of school personnel.

5. The following rules apply to After-School Detention, Saturday School, or In-School Suspension:

   6. Students are required to have assignments with them.

   7. Students are not to communicate with each other unless given permission to do so.

   8. Students are to remain in their designated seats at all times unless permission is granted to do otherwise.

   9. Students shall not be allowed to put their heads down or sleep.

10. No WCDs, CD/MP3 players, cards, magazines, or other entertainment/recreational articles or devices shall be allowed in the room.

11. No food or beverages shall be consumed.

12. Any student who has not passed all of the State-mandated assessment tests will be required to work on a study packet for one or more of the unpassed tests.

12) Formal Discipline

Formal discipline results in the removal of a student from school. It includes the following:

   1. Out of School Suspension – Students may be suspended for up to ten (10) school days. A suspension may carry over into the next school year.

   2. Expulsion – Students may be expelled for up to eighty (80) school days, or the number of days remaining in a semester, whichever is greater. An expulsion may carry over into the next school year.

   3. Criminal Charges – Students who are suspected of engaging in criminal conduct may be referred to law enforcement as well as disciplined at school. Such law enforcement officials will be permitted to carry out any necessary law enforcement functions in Plain Local Schools, including the removal of a student from school property when deemed appropriate. Also, certain criminal acts may result in permanent exclusion from school.

   4. Emergency Removal – Students may be immediately removed from school for up to three school days.

   5. Permanent Exclusion – Students who are sixteen (16) years of age or older may be per-
manently excluded from school for engaging in certain criminal conduct.

6. Community Service – At the discretion of the Superintendent or his/her designee, a student may be required/permitted to perform community service in conjunction with or in place of a suspension or expulsion from school. The Superintendent or his/her designee may impose a community service requirement beyond the end of the school year in lieu of applying the suspension or expulsion into the following school year.

- In addition to informal and formal discipline, students may be excluded from attending Plain Local School District Events, Functions and or Activities. Also, students involved in co-curricular and extra-curricular activities can lose their eligibility.
